## Change in LMHSA Newsletter -- Going Electronic

At the spring meeting, a poll was taken as to how many would rather get their Newsletter in electronic form to save printing and postage costs. The vote was unanimous, just go electronic. We will continue to send timely electronic versions of the LMHSA Newsletter to you with enough time and directions for reservations for any and all of our activities. If any of you would prefer to have a hard copy instead, you will need to notify me at [Knightsail@Juno.com](mailto:Knightsail@Juno.com) and I will print out a hard copy and send it to you by snail mail. There will also be a copy of the latest Newsletter on our Web site, [www.lmhsa.org](http://www.lmhsa.org) as soon as it is published.

**This will be the last hard copy mailed to you, unless you notify us.**

## Volunteer(s) Needed:

To arrange the 2009 LMHSA Rendezvous. If you are interested, please contact Susan Cain at [scain40481@aol.com](mailto:scain40481@aol.com).

## COMMODORE'S CORNER

The Spring Meeting at the Milk Pail Restaurant was very well attended with a lot of socializing. Yet we were able to approve the By-Laws thanks to the efforts of the By-Law Committee.

Many of us have our boats in the water. Ours went in on April 15<sup>th</sup>. The water is still too cold to do much sailing yet—maybe by Memorial Day?

The Rendezvous Committee, headed by Susan Cain, is planning this summer's Rendezvous. A lot of activities will be available this year. Racine Riverside Marine will have a tent for Friday & Saturday events. The pool at Reefpoint Marina will be available for use. Also the City of Racine is sponsoring many activities that weekend. Many of our members enjoy the Post Rendezvous Cruise to other Lake Michigan ports.

We emphasize, this year that you make your Rendezvous reservations as early as possible. We look forward to seeing all of you in Racine the weekend of July 25th.

Thank you, for making LMHSA so much fun.

Tom & Sonja Wiora
