

THE HUNTER HAILER

Memorial Day Special issue 2017

We hope that everyone had a nice Memorial Day. The weather turned out much nicer than originally projected.

We have a special edition of the Hunter Hailer this week which is a follow-up to the May 20th Spring Meeting & Barbecue. The meeting was well attended and the speaker, Bob Kunath, was excellent. Bob provided a wealth of information on various ports and harbors around the lake on both the Michigan and Illinois/Wisconsin sides. He also included a valuable handout with some websites for weather information, charts, harbor reservations and more. He has graciously provided an updated article on cruising Lake Michigan which is attached. If you are planning to cruise or looking for cruising ideas, we hope that you find this useful.

Upcoming Events

**July 14-16 Summer
Rendezvous
South Shore Yacht Club
Milwaukee**
